# GMS CARES

Check out where we spent our time this quarter giving back to the community.

## MEDWISH INTERNATIONAL

Richfield volunteers spent their morning sorting and packing medical supplies at MedWish International. MedWish is a nonprofit organization that saves lives and the environment by repurposing surplus medical supplies and equipment to provide humanitarian aid to people in need.

## SHOES & CLOTHES FOR KIDS

Shoes and Clothes for Kids' mission is to improve kindergarten to eighth grade school attendance by eliminating the lack of appropriate clothing, shoes, and school supplies as barriers. Volunteers helped at a teacher shop where they stocked shelves, registered teachers, and checked them out.

## SECOND HELPINGS

Volunteers from our Indianapolis, Indiana office spent the day at Gleaners Food Bank sorting and organizing food donations, helping neighbors shop on the on-site pantry, and serving families at the mobile food distributions.
